

The image shows the front cover of the book 'The Help' by Kathryn Stockett. The cover is primarily yellow with a purple cloud-like shape in the upper center containing the title 'The Help' and 'a novel' below it. At the top, it says 'THE 2 MILLION COPY US BESTSELLER'. At the bottom, there are three small, realistic-looking birds perched on a thin branch. The author's name 'KATHRYN STOCKETT' is printed at the very bottom of the cover.
